SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Level 1	Level 1	Level 1

Sinkhole and Northbound I-5 Closure, Tracy, San Joaquin County

On 05/31/16, the California State Warning Center (CSWC) was made aware of a sinkhole that appeared on Northbound I-5 south of Tracy, San Joaquin County.

- It is currently unknown what caused the sinkhole.
- Per Caltrans District 10 Dispatch: The hole is confirmed to be a sinkhole that appeared on the fog line (right hand lane boundary) and not the actual lane itself.
 - Caltrans confirmed that the Estimated Time of Reopening is 1000 hours on 06/01/16.
- Per Caltrans HQ Comm Center and CHP ENTAC: A detour has been established: exit eastbound Hwy 132 to northbound Hwy 33 then back onto I-5.
- Per Cal OES Inland Duty Officer, the detour adds approximately 10 minutes of travel time.
- There are no requests for State assistance.

Subnational Clean Energy Ministerial (SubCEM) and Clean Energy Ministerial (CEM7), San Francisco, San Francisco County

Governor Brown will convene mayors, governors and other regional leaders from around the world next week at the inaugural Subnational Clean Energy Ministerial (SubCEM) in San Francisco to further mobilize states, provinces and cities in the fight against climate change.

- This gathering will be held in conjunction with the seventh Clean Energy Ministerial (CEM7), an annual meeting of national energy ministers and other high-level delegates from 23 member countries and the European Commission, where the Governor will also speak.

CAL OES MISSIONS

Ongoing Cal OES Missions

- **2016 LAW 22945, 1925 Hours, 5/29/2016:** AFRCC reporting ALNOT for an overdue aircraft last known position was 36 48N by 117 46W which plots to the Chicken Strip Airfield in Inyo County. AC flight plan was to fly from Grass Valley to Bishop on 5/28, refuel and continue to Chicken Strip airfield, stay overnight and return to Bishop by 1200 on 5/29. There is no record of the AC arriving at Bishop. Family members have been unable to contact the pilot or passenger by cell phone. LDO coordinated with Inyo County Sheriff to conduct ramp checks at both airports. The AC was not present. Inyo SAR coordinator and US Park service began preliminary checks along the flight path between Chicken Strip and Bishop. AFRCC is conducting cellular phone and radar forensics. CSWC sent CLETS messages to all counties along the flight path from Inyo to Nevada Counties on both sides of the mountains. **UPDATE as of 0039 Hours:** AFRCC provided cell phone forensics and radar track to LDO. LDO forwarded them to Inyo County. **MISSION ONGOING UPDATE as of 0630 Hours:** LDO coordinated with AFRCC to initiate a CAP mission on this event. Inyo County updated with CAP mission info. **MISSION ONGOING.**
- **2016 LAW 22927, 2000 Hours, 5/28/2016:** LDO received call from Lake County Sheriff for a SAR mission to request Napa County Sheriff provide a dive team, side scan sonar and underwater ROV to assist with recovery of a missing boater on Clear Lake. Resources will report to Lake County Sheriff boating safety office at 0800, 5/29/2016. The boater was involved in a fatal and major injury boat crash on the lake and is missing. Napa County accepted the mission. **UPDATE as of 2130 hours:** Napa has withdrawn from the mission. LDO coordinated with eight agencies to fill the mission. Due to active drowning recoveries throughout Northern CA, no resources are available to assist. Lake County will postpone recovery until resources are available. **MISSION ONGOING.**
- **2016 LAW 22897, 1615 Hours, 5/27/2016:** CDCR Special Operations Unit contacted the CSWC to request K9 teams specially trained to locate firearms and ammunition. CDCR developed credible information of a firearm within the CA Men's Colony in San Luis Obispo. This search will cover four facilities and 35 dormitories at the prison and is expected to be a multiple day operation. SLO Sheriff was unable to provide the resource and referred CDCR to Fish and Wildlife and CA State Parks at Hearst Castle as they have these dogs. CDCR requested additional teams due to the size and scope of the facility to be searched. LDO coordinated with Santa Barbara SO who did not have the resource and said the region did not either. LDO coordinated with DFW who dedicated three additional firearms trained teams. LDO contacted LASO (Region 1 RMAC) for additional assistance. LASO is working on two teams from their agency. Orange County declined the mission. CA DOJ also has a firearm trained K9, but the team will not be available until Monday. **UPDATE as of 2215 Hours:** LASO declined the mission due to OT costs. **UPDATE as of 2355 Hours:** USCG Law Enforcement in process of approving two teams to respond. **UPDATE as of 0500 hours, 5/28/2016:** USCG has two teams enroute to assist. LDO coordinating response with on site POC and CDCR Special Ops. **UPDATE as of 1600 hours:** The six K9's are now complete with today's mission. The CDF yard, M-Facility, SAP, PIA Library and Maintenance is complete. Tomorrow should be a lot quicker start as we don't have to re-bench weapons, give a long brief and intro. I have ok'd the Game Warden's and Coast Guard to retain their firearms in the Main Armory for the night. No injuries, just a bunch of tired dogs. **MISSION ONGOING.**

CAL OES MISSIONS

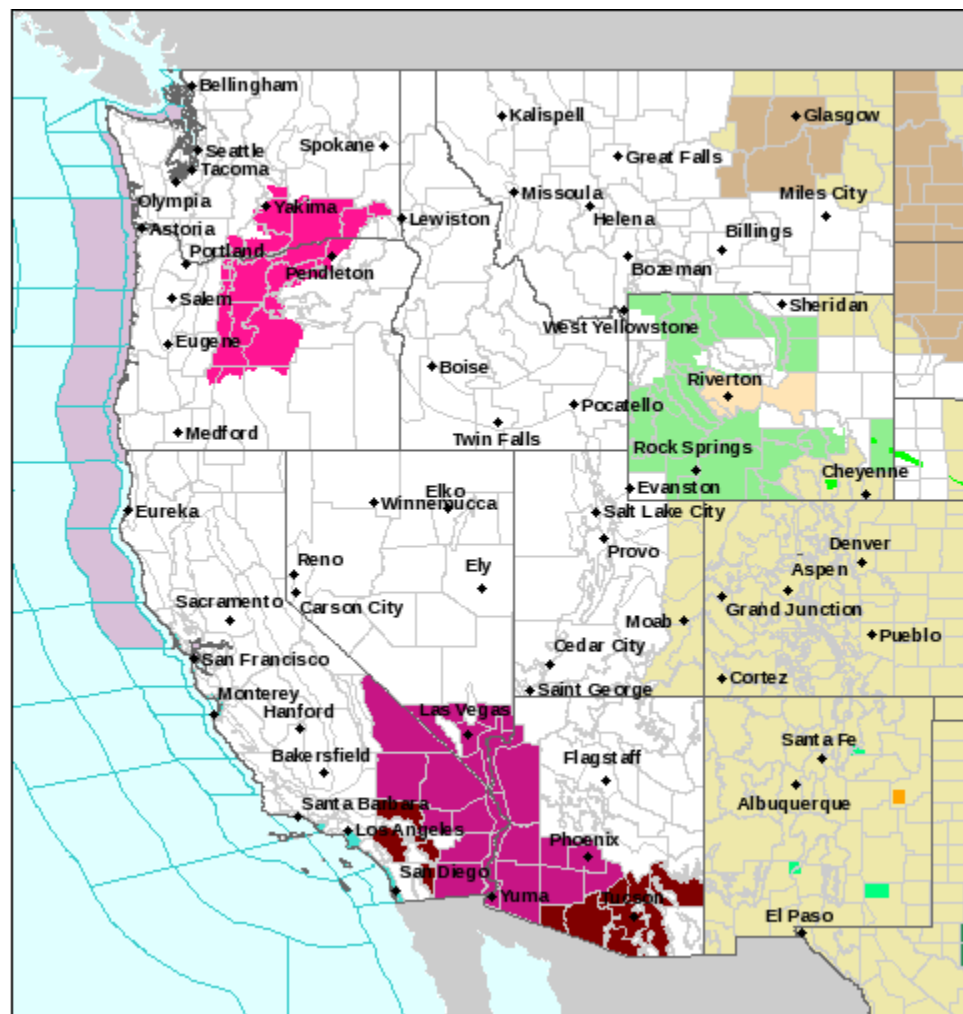

Ongoing Cal OES Missions

- **2016-LAW-22803, 05/24/16, 1200 hours:** Humboldt County Sheriff's Department (HCSD) requested resources to assist in locating the remains of a victim of a cold case homicide. HCSD is requesting (3) HRD search dog teams. This search will take place on Saturday, 06/04/16 at 0900 hours. California Governor's Office of Emergency Services, Law Enforcement Branch is coordinating the search dog response. **MISSION ONGOING.**

Closed Cal OES Missions

- **2016-LAW-22961, 2247 Hours, 5/29/2016,** AFRCC issued ALNOT for a missing Cessna 172, tail #N739ZE last seen at the Avalon Airport on Catalina Island enroute to Van Nuys airport with an ETA of 1600 hours. AC did not arrive. Ramp checks were conducted by LASD with no plane at either airport. The pilot's car was parked at Van Nuys Airport. USCG advised by AFRCC. LDO coordinated with LASD Emergency Operations Bureau and AFRCC. AFRCC conducting cell phone and radar forensics to attempt to determine a flight path. UPDATE as of 0640 Hours, LASD called LDO advising they and USCG were actively searching. LDO advised that forensics not yet completed by AFRCC. **MISSION CLOSED.**
